ADMISSION 5 CENTS

A test has recently been conducted by the State Agricultural Department of a Holstein cow a few days less than three years old and owned by E. La Munion of Solville, Madison county, N. Y. In seven days she averaged more than eighty pounds of milk a day and from this was made twenty-nine pounds of butter. It is said to be the world's record for a cow of her age. Cornell Agricultural College had a representative present constantly during the test.

There's No Risk If This Medicine Does Not Benefit, You Pay Nothing

A physician who made a specialty of stomach troubles, particularly dyspepsia, after years of study perfected the formula from which Rexall Dyspepsia Tablets are made.

My experience with Rexall Dyspepsia Tablets leads me to believe them to be the greatest remedy known for the relief of acute indigestion and chronic dyspepsia. Their ingredients are soothing and healing to the inflamed membranes of the stomach. They are rich in pepsin, one of the greatest digestive aids known to medicine. The relief they afford is almost immediate. Their use with persistency and regularity for a short time brings about a cessation of the pains caused by stomach disorders.

Rexall Dyspepsia Tablets will insure healthy appetite, aid digestion and promote nutrition. As evidence of my sincere faith in Rexall Dyspepsia Tablets, I ask you to try them at my risk. If they do not give you entire satisfaction, I will return you the money you paid me for them, without question or formality. They come in three sizes, prices 25 cents, 50 cents and \$1. Remember you can obtain them only at my store—The Rexall Store.—Thos. J. Chenoweth

Tired? Just as tired in the morning as at night? Things look dark? Lack nerve power? Just remember this: Ayer's Sarsaparilla is a strong tonic, entirely free from alcohol. It puts red corpuscles into the blood; gives steady, even power to the nerves; strengthens the digestion.

All matter for publication must be handed in before 9 o'clock a. m.

This beastly April weather has put a crimp in the big K. of P. Street Fair exhibiting at Maysville this week. The show is unusually large and attractive and if the weather man behaves it will play to an immense business the balance of the week.

STRAWBERRIES KILLED

In the Valley of Lewis and All Kinds of Fruit Reported Nipped in the Bud

The "home-grown" strawberry crop in the State of Lewis is so badly damaged by the cold snap of Saturday and Sunday that it is said this year's output will not reach one-fourth of the average yield.

Mr. R. B. Lovel, the Maysville grocer, who is the largest handler of Lewis county strawberries in the Ohio Valley and who has been selling the product of farmer E. R. Lindsey of the "Valley," near Vanceburg, for the past 29 years, is in receipt of a letter from Mr. Lindsey, which says in part:

"Saturday night did up the first crop for this year. I think fruit of all kinds, from the strawberry to the blackberry, peaches, apples, cherries and plums, is killed. I never saw as entire a failure in fruit since 1875. That year everything was killed in April. Even the young, tender sprouts are frozen this year. My loss will reach several hundred dollars. S. L. Webb will lose \$500. Later blooms may make a quarter crop."

Other letters from Lewis were received by Mr. Lovel, all agreeing that the fruit crop of 1910 is practically all nipped in the bud by Jack Frost.

Therefore if there are any Lewis county strawberries on the Lovel market next month you will have to pay a fancy price for them or be satisfied with the lesser luscious Southern grown variety.

Topic of Present Importance

Personal health is and should be one of the greatest considerations of life, and as so many local people are praising the new remedy, Root Juice, it is not surprising that so many of the afflicted people of this county are so eager to talk about it and get all of the information they can in relation to the many remarkable cures it has made and is making. It invariably proves a great and agreeable surprise to weak, nervous, dyspeptic, constipated people, for after using it for a short while the soothing, healing and tonic properties of the wonderful remedy removes irritated and sore conditions from the lining of the stomach, bowels and bladder, heals and strengthens the liver and kidneys to healthy action, resulting in a good appetite, food well digested, bowels regular, good, rich blood, free from rheumatic poison, and it soon nourishes and strengthens the whole nervous system. The people at the drugstore are proud of the wonderful merits of Root Juice, and gladly tell all interested of much of the great good it is doing here.

HUMAN BUTTERFLIES WITH COMING CIRCUS

Albion Sisters to Use Real Flying Machines in the Thrilling Act

Among the score of novel acts, special features and sensational acts which the Greater Norris & Rowe Circus have engaged this season is that of the Albion Sisters. At the extreme height of the high circus canopy, these graceful young women go through their spectacular evolutions, duplicating the graceful movements and abandon of their rivals—the butterflies. They make their entrance in two flying machines, which, while miniature reproductions of airplanes, are not models, but practical working, motor-propelled, dirigible balloons, operated and controlled by the fair performers. Arriving in the center of the big tent, the airplanes are brought to a halt directly over the heads of the audience; the girls divest themselves of their costumes and appearing in tights, carefully lower themselves over the sides of their frail craft to preserve the balance. The girls show a number of picturesque poses and acrobatic and athletic feats. The only support they have is by clinging to a slender rope with their teeth. At the conclusion of their exhibition of daring and skill the young women again resume their seats in the airplanes, and circling around the tent, return to the dressing room. It has been said that the act of the Albion Sisters and their twin dirigible flying machines is the most thrilling and novel exhibition ever seen in this country. It is the only act of its kind and can be seen only with the Greater Norris & Rowe Circus, which exhibits in Maysville Saturday, May 7th, giving a free street parade and two performances.

"Tomorrow the sun may be shining, although it is cloudy today."

C. R. Hollen, District Deputy M. W. A., had a letter from Bowling Green saying snow was three inches deep there Monday morning.

Governor Deneen of Illinois has issued a requisition on Governor Wilson for the return to Chicago of John W. Boyer, who is under arrest in Cynthiana. It is alleged that on November 5th, 1909, Boyer shot and killed Elvira Cordell in Chicago.

WATCH HER GROW

Maysville Awakened From a Rip Van Winkle Sleep—The Old Town on a Boom

The recent real estate transactions have been eye-openers to the staid old mossbacks who are eternally and everlastingly knocking instead of helping pull the old town out of ruts and grooves in which it has been running for the past hundred years.

It was also an education as to the manner of doing things, the prime requisite of which was vim, vigor, push and a thorough publicity through printer's ink.

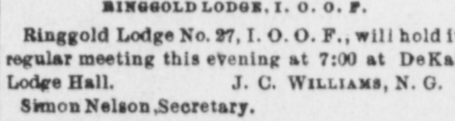

Not within the recollection of the oldest resident has a real estate transaction of such magnitude been witnessed here as has been the case in the past week. The opening up of Eastland was a feat in itself. The selling of one hundred and thirty lots in practically new territory was something phenomenal. Aside from the Eastland sale innumerable dwellings and pieces of property were sold by real estate agents, running the total amount up to many thousands of dollars.

Perhaps the choicest, most desirable and best bargain in the transfers of last week was secured by A. F. Curran, Editor of THE LEDGER, in the purchase of the George T. Wood homestead in West Forest avenue. The commodious dwelling is on the colonial order, surrounded by a wide expanse of ground and green sward, the location and all being an ideal one.

That Maysville is entering on a new era and is on a boom is patent to the most obtuse, and with all its facilities and advantages offers inducements to hom-seekers and manufacturing industries such as few other cities can. With the Ohio river and two railroads affording ample transportation service; its modern school buildings and high class educational; beautiful and spacious Churches; a water system unsurpassed in the United States, backed by an agricultural district that abounds in wealth, together with other advantages, are a few of the many that might be mentioned.

DON'T FOOL WITH THE GRIP

The after results of the grip are apt to be exceedingly serious. It leaves in its wake weakness and a run-down condition in general. Prof. R. E. R. Hicks of Maplewood, Ala., says that after grip, Vinol restored his strength and cured his cough after different physicians and cough syrups had failed and he considers Vinol one of the greatest blessings ever offered to the public. Does Your Back Ache?

If you are a woman and you have this symptom get Lydia E. Pinkham's Vegetable Compound without delay. Backache seems an invention of the evil one to try woman's souls. Only those who suffer this way can understand the wearing, ceaseless misery.

We ask all such women to read the two following letters for proof that Mrs. Pinkham's medicine cures backache caused by female diseases.

Milwaukee, Wis.—"Lydia E. Pinkham's Vegetable Compound has made me a well woman, and I would like to tell the whole world about it. I suffered from female troubles and fearful pains in my back. I had the best doctors and they all advised an operation. Lydia E. Pinkham's Vegetable Compound made me a well woman and I have no more backache. I am ready to tell every one what this medicine has done for me."—Mrs. Emma Imse, 833 First St., Milwaukee, Wis.

Pittsburg, Pa.—"I had backache for four months steady and tried everything for it, but nothing helped me until I took Lydia E. Pinkham's Vegetable Compound. After the first bottle I felt a change. I took five in all and I am cured. I have not had any backache since. I think the Compound is wonderful for women."—Mrs. G. Leiser, 5219 Kinkaid St., E. E., Pittsburg, Pa.

Lydia E. Pinkham's Vegetable Compound has made thousands of cures of such cases. You notice we say has cured thousands of cases. That means that we are telling you what it has done, not what we think it will do. We are stating facts, not guesses.

We challenge the world to name another remedy for female ills which has been so successful or received so many testimonials as has Lydia E. Pinkham's Vegetable Compound.

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No sick woman does justice to herself who will not try this famous medicine. Made exclusively from roots and herbs, and has thousands of cures to its credit.

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health free of charge. Address Mrs. Pinkham, Lynn, Mass.

Theater which will appear in this city, Wed-
nesday, May 4th:

"The show boat 'Cotton Blossom' was at the
local wharf last night and played to a large
sized crowd. The play, 'The Gypsy Queen,' was
greatly enjoyed by all who attended, as it is a
much higher class production than has ever
been seen here before among the floating
theater productions. The 'Cotton Blossom'
carries a large troupe and all of them are ar-
tists of considerable merit."

if perfect, in burnt letters "PASSED." Don't
buy any mattings unless they are so branded. If
you do you will buy the damaged and rejected
kind. Our Mattings are new and fresh and
guaranteed perfect.

WALL WILL CASE

**Ending of a Notable Action—Jury
Returns a Verdict in Fifteen
Minutes in Favor of
Plaintiff**

This Wall will case has been in Court for the
past nine years and has been stubbornly con-
tested on both sides with energy and deter-
mination.

The best legal lights at the Mason Bar have
been arrayed in forensic battle for the palm
of victory, and it has been a fight to the finish
all along the line.

The cause has been tried five times in the
Mason Circuit Court, and with the exception of
the first trial, when the Jury stood eight to
four and hung, the plaintiff has been given a
verdict in each instance.

Of the sixty Jurymen sitting in the various
trials fifty-six have been on the side of the
plaintiff. Whether this verdict and the long-
drawn out legal fight remains to be seen.

Engine Probably Killed**

Yesterday morning at 9 o'clock engine No.
452, pulling Eastbound extra freight on the C.
and O., blew up a mile and a half East of Riv-
erton, seriously injuring Engineer William
Onions of Covington. The fireman and brake-
man were also hurt. The front end of the en-
gine was blown 75 feet and the engine turned
over, wrecking eight empty coal cars and tear-
ing up main line and blocking traffic above
Riverton for three hours.

Russell and Huntington tool crews cleared
the wreck and the wounded were taken to

MUST you be going, Mr. ALDRICH? Well, re's your hat.—Indianapolis Star.

IF harmony in the Republican party again possible, WILLIAM JENNINGS BRYAN is the one man in the country able to effect it.—Philadelphia Telegraph.

HERE is another little prosperity item: The Cincinnati Traction Company will spend this year \$1,500,000 on new barns, replacements, power-house and equipments.

AND NOW BENTON McMillan of Tennessee, with chronic punctuality, has "come out" with the spring flowers and announces that he is a candidate for Senator to succeed FRAZIER. When BENTON dies his perennial candidacy for something will be missed, at least. It may be in order here to state that BENTON couldn't be elected county dog pelter in any district in his State.

THE country cannot come into its own until the Democrats return to power.—Cynthiana Democrat.

That sets people to wondering what you mean. It might enlighten the dark recesses of the question if you would elucidate, amplify, specify and signify just what the Democratic party has ever done—that is, since the War of 1861—to entitle it to "come back" to the White House? The very mention of a Democratic President and a Congress makes a cold chill run up and down the vertebrae of the business world. It is long ago acknowledged that all Democratic heresies spell rot, riot and ruin.

PILES BRING DESPAIR

TAKE COURAGE! INTERNAL TREATMENT WILL CURE

Piles make life unhappy and ruin the best disposition. Most sufferers have been bitterly disappointed by many failures to find a cure. A medicine in tablet form, taken internally, that avoids the unpleasant features of ointments, suppositories and operations, and cures thoroughly by removing the inside cause, is surely worth trying, especially as J. James & Son guarantee it.

PLANKED SHAD A LA VIRGINIA.

Did you ever sit down to an old-fashioned Maryland or old Virginia dinner where "planked shad" was the piece de resistance on the menu? It's the next thing to 'possum and sweet potatoes a la Georgia.

The Editor of THE PUBLIC LEDGER was surprised yesterday when Express Agent Cartmell telephoned him that there were several big Potomac shad in an ice box at his office and one of them was marked "A. F. C." The others were ticketed Thomas A. Davis, Henry E. Pogue, Robert M. Cartmell and Frank McClanahan.

The fish were beauties and were taken from the classic waters of the Potomac river near Mt. Vernon, the home of George Washington, and the kind donor was Mr. T. F. Ellis, who resides at Alexandria, where he has charge of business for the Washington, Alexandria and Mt. Vernon Railway, and manages otherwise to corner a large block of commercial and financial success.

Tithe, here's to your continued and everlasting health and prosperity, and through THE LEDGER the five glad recipients of your generous bounty collectively extend you their most cordial thanks and best wishes.

HAPPY RESULTS

Have Made Many Maysville Residents Enthusiastic

No wonder scores of Maysville citizens grow enthusiastic. It is enough to make anyone happy to find relief after years of suffering. Public statements like the following are but truthful representations of the daily work done in Maysville by Doan's Kidney Pills.

Mrs. Della Means, 328 East Front street, Maysville, Ky., says:

"About seven years ago kidney trouble made its appearance in my case, the first symptom being sharp pains through my kidneys, accompanied by a bearing-down feeling across my hips and loins. Dull, miserable headaches were also common and I often became so dizzy that if I did not catch hold of something I would fall. I continued to grow worse, and I was often confined to my bed for a week at a time. No remedy I tried helped me, and I began to have symptoms of dropsy. There was an almost complete cessation of the kidney secretions and my body became bloated. I had about despaired of ever being cured, when I read of a person who had been rid of a similar trouble by Doan's Kidney Pills. Deciding to try them, I procured a supply at J. J. Wood & Son's Drugstore, and obtained so much relief from the use of the first box that I continued taking this remedy until I was entirely cured. I have no hesitation in saying that Doan's Kidney Pills saved my life."

SOME FORMER FREEZE-UPS

Colonel R. R. Maltby of Washington dropped in to The Ledger office this morning "just to remind you" that there were other cold snaps behind you.

He declared that the present vegetable and fruit tragedy is nothing compared with the weather of June 3d, 1859, when gardens, crops and fruits were literally ruined by the freeze-up.

up. He says the corn crop was bitten off close to the ground, but still there was a fair crop.

On April 17th, 1876, Colonel Maltby said, the mercury was down to 12° and that the ice on the ponds was 2 1/2 inches thick, strong enough for the boys to skate upon and almost thick enough to harvest. Every living bit of vegetation was blasted and there was no fruit at all that year.

So let's cheer up.
